Resolutions of F. & L. Union.

The following resolutions were adopted by the members of Woodward's Union, No. 28, Dec. 10, 1897.

Resolved, That we are in favor of a reduction of the salaries of our National and State officers in proportion and commensurate with their dignity and service rendered. Also the salaries of some of our county officers are too high for the amount of service performed.

We are in favor of fewer officers and paying them a salary sufficient to induce competent men to run for office, but not paying salaries that consume all our income.

We think the circuit judge should pay the special judge during the absence of himself.

Also resolved that this Union endorse the preamble and resolutions adopted by the Democratic Union Nov. 17, 1897, and published in the Elizabethtown News.

A copy of these resolutions be sent to the Elizabethtown News, the Lanes County Herald and all papers friendly to the Farmer and Laborer's Union, be requested to copy.
